FOR IMMEDIATE RELEASE

Sartomer Europe Increases Prices on Monomers and Oligomers

Paris, February 22, 2010 – Effective March 15th or as existing contracts allow, **Sartomer Europe**, a division of Cray Valley S.A., increase prices of its Monomers and Oligomers sold in Europe, Middle East and Africa.

The change applies to all Oligomers and all Acrylate and Methacrylate Monomers. Rising feedstock prices and tight supplies have driven up the cost of many of the major raw materials.

The specific changes are:

Product	Price Increase (€/kg)
All Acrylate Monomers	0,22
All Methacrylate Monomers	0,34
All Acrylate Oligomers	0,22

Sartomer, division of CRAY VALLEY and part of the chemical branch of Total, is a worldwide leader in its activities. Sartomer provides a variety of specialty chemicals designed to enhance processing and performance characteristics in coatings, inks, adhesives, sealants, composites and other demanding applications.
